Fly The Flag

Rotary Club of Fairmont

Have you noticed the beautiful American Flags flying throughout Marion County each patriotic holiday? It's a service project by the Fairmont Rotary Club and they are currently taking orders and renewing current orders for 2022. The flags will be placed in your yard before Memorial Day, and displayed until after July 4th. It will return for Labor Day and removed after 9/11, then once again on Veteran's Day.

Fairmont Rotary partners with the Mountaineer Boy Scouts to help raise funds for their troops.
